## How can I change the default from inches to cm in my PDF?

The default unit measurement in 3D PDFs created with Live 3D PDF depends on the default language you have set. With English language, it defaults to inches.

To change the default units in a 3D PDF using Strata Live 3D PDF, follow this procedure:

1. Open the PDF in Strata Live 3D PDF
2. Edit > Advanced > Run-time JavaScript
3. Add this line at the very end of the code `MEASUREMENT_UNIT="centimeter";`
4. Save your PDF
