

Rendering

Toon - I'm trying to render a model for an instruction sheet, using the Flat Toon setting. The results are not what I'm looking for.

There is a very informative thread on the StrataCafe on this topic:

http://www.stratacafe.com/forum/topic.asp?TOPIC_ID=8506

It also discusses the problems that coincident surfaces (surfaces occupying the same space) can cause in renderings.

Unique solution ID: #1232
