

Installation and Registration

Account and password - I lost my Esko account password, how do I get it back?

In order to activate a trial or permanent Enfold license, you need to set up an account with Esko Artwork, Strata's technology partner for Enfold.

To set up and manage your account, and retrieve a lost password, go to this site:

<http://www.esko.com/en/services/licensing/login>

Unique solution ID: #1373
