

# Strata 3D - Legacy Versions

## Errors > StudioPro 2.x - Disk Error When Starting - 2002-04-10

StudioPro displays a "File not found" error when the StudioPro Preferences file. This is fixed in 2.x...

System Folder > Preferences > Strata Preferences > StudioPro Preferences

If the problem continues, delete the preferences and StudioPro, then reinstall StudioPro. Make sure that you update to the most recent version you have received or downloaded or you will not be able to access your files.

Unique solution ID: #1046
